PRESS RELEASE

22.01.2010

(Worthy Hon'ble Chief Minister cheated left out Kashmiri Pandits living in the Valley)

KPSS feels cheated by the Hon'ble Chief Minister while quoting the achievements of the local Kashmiri Pandits; for achieving credit to his party and government by telling the success story of Dushera to the world outside. On the contrary the Government officials tried to sabotage it without any reasons and KPSS only thanks the District Magistrate on the personal grounds; who helped us in the real way to make the event worth quoting and hence exploited by our worthy Chief Minister to portray the peace and normalcy in the Valley.

Worthy Chief Minister while using the events, organized by the locals, as image boosting strategy have in reality ignored the selfless, tireless and above all silent work of the Kashmiri Pandit Community who chose to stay back in the Valley during all odds. In fact the left out Community worked as the bridge between the Kashmiri people living within the Valley and outside. But at the time of announcing any remuneration to the selfless, tireless and silent work of this left-out miniscule community, we were ignored by the Government (State as well a Centre) and even also by the Community living outside. At the time of rehabilitation, the Community living within the four walls of Valley has been back stabbed by the Government (State as well as Central) and all other organizations, working outside the Valley working on the project to rehabilitate the Kashmiri Pandit Community at their native place.

On the 20th of January, 2010, on the event of re-opening of Sheetleshwar Bhairav Temple, Sheetal Nath, Barbar Shah, Srinagar, KPSS have already given the ultimatum to the government to come out with the positive policy on rehabilitation of the left out Kashmiri Pandits living in the Valley till 15th of February, 2010, else we are going to fast unto death.
