PRESS RELEASE

08.08.2008

(Proposal to form a Peace Committee for the benefit of the common man of the Jammu and Kashmir State)

With continuation to our efforts to minimize the tension and miseries of the citizens of the State particularly the people living in the Valley due to "economic blockade" imposed by some vested interest persons from Jammu and attack on our Muslim friends on entire national highway.

KPSS suggest forming a "Peace Committee" from all walks of life across the Jawahir Tunnel to stop and defeat the vested interest and communal forces so that all beliefs grow hand to hand which is our history and tradition.

KPSS suggests the following members for this Peace Committee:
