PRESS RELEASE

24.07.2009

(Separatists silence over Keller Pulwama is regrettable)

In recent months killings of some members of Kashmiri Society erupted violence all over the Valley and was supported by the Separatists organization, through every such act on Kashmiri Society is condemnable. But the way the Separatists Leadership keeps silence over the atrocities done by the militants who obviously belongs to a particular religion in deplorable.

There is no “Hartals” no “Demonstrations” over the killings of two persons at Keller, Shopian especially three years old boy, it shows that the Separatist Organizations are biased and have no courage to condemn this kind of act by the militants.

Here, we wish to draw attention of the World Communities that these Separatists Organizations kept silence in the early militancy period when there was onslaught on Kashmiri Pandit Community on the name of being the agents of GOI and propaganda was launched throughout the world by them that the exodus of Kashmiri Pandit Community was master minded by then Governor of the State to cover their mistakes.

On 31st of March, 2009 when KPSS hold “Mandir Photo Exhibition - cum - Seminar” in which we had invited all the fractions of Hurriyat were we categorically told them before the Media and invited intellectuals and dignified audience – unless and until the Separatists Leaders will not come openly to condemn the atrocities by the militants or by their own cadres on the over all Kashmiri Society in last twenty years, their credibility will remain biased and don’t expect that the world is going to listen to them sympathetically.

Further, we invite the kind attention of European Diplomats and Foreign Dignitaries, who are morally bound to solve the dispute between the two nations and have access to Separatist Organizations to take a serious note of silence maintained by these Kashmiri

Leaders over the innocent killings of the Kashmiri Society in the past and in present

KPSS is shortly shooting letters to all Foreign Diplomats along with organizations of Islamic Countries to draw their kind and valuable attention over the Silence maintained by the Separatist Leadership on such acts done by the militants or by their own cadres.

It is also regrettable the Civil Societies in and outside the Kashmir who are always on fore front to condemn such acts by the State Force(s) but least to bother to condemn the same actions done by their sympathizers.

We appeal the State Government to strengthen the Security in the present scenario in the Valley particularly the Regional Religious Minority Pockets so avoid any kind of un-toward incident in near future by un-scrupulous elements and enemies of humanity.
