PRESS RELEASE

06.05.2011

(Government of Jammu and Kashmir facilitates the Talibanisation of Kashmir)

“Ek Gandi Machli Poore Taalab Ko Ganda Karti Hai” A dirty fish makes fresh water pond dirty, is an old saying and defines the present situation. On one hand every Kashmiri irrespective of religion, belief and faith is contributing towards the re-conciliation of Kashmiri Society which has fallen apart due to political turmoil and on the other hand some revenue officials are openly helping the Mandir Land Mafia, without any fear or regret, in disposing of temple lands under their jurisdiction. They believe in Talibanization of Kashmir and disapprove the composite culture and heritage which is legacy of the Kashmir and Kashmiri. Even, they threatened office bearers of KPSS that they will impose and implicate on us in false cases, if we tried to interfere in their mission.

Residents of Ladoo, irrespective of Religion, belief and faith, who manages the Asthapan and Ashram of Jewan Sahib of Ladoo are being harassed by some Revenue officials to facilitate the ill designs of Ghulam Nabi Dar Resident of Ladoo and Abdul Rashid Wani Residents of Sempora, Pantha Chowk to sell the land belonging to the age old asthapan. One Kashmiri Pandit namely Chaman Lal Bhat, who once upon a time used to live in Ladoo and at present residing at Muthi, Jammu, under the influence of personal monetary gains, is helping the above to sell out the land of the Asthapan.

KPSS want to appreciate the work done by the Deputy Commissioner and Additional Deputy Commissioner, Pulwama, along with Superintendent of Police, Awantipora, for their personal efforts in protecting and preserving the Asthapan and its endowment property. Even a team of Revenue and Police officials visited the spot on 29.04.2011 and it was ascertained that, at present, the Asthapan possesses 8 Kanals and 8 Marlas of land which needs to be protected and preserved from these unscrupulous persons. Even the poles used to fence the land to encroach the same were removed.

But it seems that the some Revenue Officers / Officials are having patronage of stronger anti-national elements that they refuse to act on the orders of his superiors.

KPSS requests Superintendent of Police, Awantipora to give protection to the residents of Ladoo as we feel that the Revenue Officers / Official indulged in this heinous act may misuse their Offices to harm them to accomplish their mission of Talibanization to destroy the composite culture of the Kashmir.

There is also another case of encroachment of temple land in Aarihal, Pulwama where a person namely Abdul Rashid, a Class IV employee of Deputy Commissioners office Pulwama have encroached the temple land and despite Deputy Commissioner Pulwama's directions he refuses to comply the directions.

KPSS warns governments if they fail to protect the Minority religious places we will have no other option to choose other sources to protect our heritage and identity, which may at the later stage, harm their so called image across the world. On the contrary we fell that the Government of Jammu and Kashmir is working on the lines of Talibanization of Kashmir. Their in-activeness shows their secret agenda. State Government facilitates these activities in a secret modus operandi to defame the Majority population of Kashmir before the world Community to feed their malafide motives and to remain in Chair.

KPSS thank the people of Ladoo for taking the front row for helping the Kashmiri Pandit Community in saving the age old Asthapan of Jeewan Sahib and its endowment property from the clutches of un-scrupulous elements.
