PRESS RELEASE

29.01.2010

(Opening of Puran Raj Bhairav Temple, Sazgaripora, Srinagar)

Today, the 29th day of January, 2010, is the historical event is taking place for the better Kashmiri Society as the representatives of both the Communities (Pandits and Muslims) are present here at the opening of Puran Raj Bhairav Temple, Sazgaripora, Hawal, Srinagar to witness the un-breakable bond of trust and respect to each other as an individual and faiths.

KPSS is also working on the basic issue of “Peace and Reconciliation” between the two Communities from the past more than 5 years apart from the task to highlight the encroachment of temple/s properties by unscrupulous elements and this event will surely boost the moral of our men and will set an example to others.

KPSS once again appreciate the role of local Muslim brethren to become the role model for the others in saving the ties between the two Communities. And we request to every one who are directly or indirectly with Kashmir should promote and propagate this attitude in true sense so that we as the Kashmiri Society could isolate those who are bent to destroy us on the religious and political grounds.

In coming days these examples will be set again and again as we are going to take other unattended temples in our control alongwith their properties with full co-operation from press and the Majority Community time to time; KPSS will again approach to the State Government through proper channel to investigate the misappropriation of temple properties and funds thereto. As it is not possible for this minuscule Kashmiri Pandit Community under the banner of “Kashmiri Pandit Sangarsh Samiti” to safeguard these temples after taking over, KPSS will take local inhabitants around these temples in confidence so that proper check and balance is maintained along with the protection of these Religious Centers from unscrupulous elements.
