PRESS RELEASE

11.05.2011

(Congratulation to Smt. Asha Ji for winning Panchayat Elections)

KPSS is overwhelmed by the response and confidence that has been shown by the Majority Community of a Village in District Baramulla. It is a milestone and has strengthened and has paved way for the derailed process of re-conciliation in this turmoil hit place. Reason to which Kashmir Valley is seen and portrayed as place not fit for Non-Muslims especially Kashmiri Pandits. But the win of Asha Jee as Panch in her Village has broken this myth.

KPSS is highly thankful to the people who made her success possible and welcome them as the pillars and founders of re-conciliation at the ground zero. Kashmir and Kashmiri Society need these kinds of person who make these milestones happen at the ground zero.

KPSS congratulate Smt. Asha Jee, to show the guts to stand against all odds and make herself, her family and her left out Community proud for her efforts and pray to the GOD that she gets all the success during her tenure and make her brave enough to help the people of her area and which will enable her to solve their day to day problems.

KPSS want to tell the world community to treat the present news item as the sample case of re-conciliation between the Kashmiri Society and encourage these kinds of steps taking place within the four wall of Valley more than the steps taken far from the Valley. When the Kashmiri Society present in Kashmir will reconcile with each other then and only then there is any chance for re-conciliation between Kashmir and other parts of the world.
