PRESS RELEASE

06.10.2009

(Faith and the history related to minority are sold by the Government using connivance with mafia to balance their budgetary deficits)

KPSS has taken the serious note of the activities of the Police Department who are in connivance with smugglers and temple mafia. The recent approach of the SHO Bijbehara is doubtful and needs to be looked into and enquired upon by the Senior Officers of the Department who is giving bad name to the whole Department by his activities.

Just ten days back one black stone, 3 feet tall, idol of Mata Durga has been found from the fields of one Shri. Abdul Rehman at Kaniwan on the Khiram–Pahalgam Road, under the jurisdiction of Police Station Bijbehara. The idol is lying with the SHO Bijbehara. The age of idol is not known but apart from the religious importance to the Kashmiri Pandits, it is worth multi crores in the international market. Till date the SHO Bijbehara has not reported this event to any one even to his seniors and also media is kept apart from the truth, creating suspicion over the conduct of the SHO Bijbehara.

In addition to the present episode, in the recent past another black stone, 2½ feet tall, idol of Lord Vishno was found from the same venue, which was reported in the media also and has been handed over to Archeology Department. But the KPSS have apprehension that the idol has been duplicated with black marble and the original one has been disposed of in the international market worth crores.

Also one Javaid Ahmad Bhat alias Javaid Murti of Nai Basti Anantnag seems to be having hand in glow with some officers of the J&K Government to facilitate selling these idols and antiques in the international market. The conduct of the delinquent person needs to be enquired into by a trust worthy and reliable agency.

It seems that the faith and the history related to minority are sold by

the Government using connivance with mafia to balance their budgetary deficits.

KPSS request the Hon'ble Chief Minister to look into the matter and depute an enquiry commission to investigate and also the place be put under seize as there is apprehension that more idols can be found which have religious as well as historical importance to the history of Kashmir and its people and ensure that the State Government is serious to uphold religious respect towards the minorities.
